

Route to ComoNe without using stairs

※Due to the steep slope on the library side,
usage with wheelchairs, strollers,
and similar equipment is not recommended.

From the subway to ComoNe

After exiting the subway ticket gate,
get on the elevator on the left side of the passageway
on the right, and go up to the ground level.
Please use the elevator at the entrance
on the southeast side of the ComoNe building
to go down to basement level 1.

Route using the elevator

Please use the elevator located inside
the south entrance of the ComoNe building.

From ComoNe to the subway

Please take the elevator located to the right towards the subway entrance
at basement level 1 and exit to the ground level.
After exiting onto the sidewalk with the bus stop,
turn left and then use the elevator at the No.3 subway entrance
located beyond the crosswalk.
